Dear Sam,

I am happy with your email and thanks for your availability.

I wanted to ask you something because I can't quite find the courses. They told me that the list of courses for the year 2024/25 will be available in July. I wanted to take an exam but I should find the correspondence in your university, i.e. find a course that has more or less the same topics in the syllabus. I am attaching my syllabus of my course at Bocconi. Could you help me find a convertible course? My course name in my university is "FINANCIAL MANAGEMENT AND CORPORATE BANKING".

Thanks in any case for your availability.

Best regards,

Riccardo Passeretti

Dear Riccardo,

Thanks for your reply and question. Sorry I didn't make any response to your email for the past few days since I was preparing for my final exam. As for your question, I looked it up on our [Courses Search System](#), and I found some courses that might be similar to the one you inquired about. The results could be found in the following link of google clouds shared folders: [Information You May Need \(Only for Riccardo\)](#). The cloud drive is usable not only this time but also in the future. I'll update the content if there is any information I find material or significant. In addition, may I know when you will study in Taiwan? I am still unsure of it. If you still have any questions, please let me know. Hope to hear from you soon!

Best regards,
Sam
