

## Café Hopping in Seoul

Korea's cafe culture is incredibly diverse, offering everything from traditional tea houses to modern, theme-based cafes. Exploring these cafes was not only a treat for my taste buds but also a wonderful way to immerse myself in the local culture and lifestyle. In Seoul, there is an abundance of cafes that offer excellent coffee and a unique atmosphere. Each cafe has its own charm, making it a perfect place to relax, study, or catch up with friends. Here are some standout cafes I visited
