We recommend the students to **consult the official French [visa wizard](#)** to help them know if they need a visa to come and to which **consulate submit the application**.

It is also advisable to contact the local [Campus France](#) agency for guidance.

Grants for exchange students

Follow the [French Institute](#), [Campus France](#) or the **French Embassy** of your home country on social media for **financial aid opportunities**. Please note that **applications deadlines are very early**, up to a year before the start of your study abroad experience, so plan ahead.
