## **Exchange and Visiting Students Incoming Student Factsheet 2023/24**

York is an internationally recognised university with a reputation for quality, situated on a beautiful parkland campus close to one of Britain's most historic cities, one of the [best cities in the UK](#) to live and [visit](#). We place an emphasis on [small class sizes](#), [personal attention and guidance](#) while league tables regularly place us as one of the top UK universities.

- Full integration in regular degree programme modules
- A personal/academic supervisor to support you and your studies
- An academic transcript at the end of your studies
- A lively and stimulating environment
- Academic study in one or more departments (timetable allowing)
- Study periods of one semester or the full academic year
- Academic credit for modules to the equivalent of 60 credits per semester
- College membership and access to a wide range of extra-curricular activities

### **Our campus**

The University of York has a lively, cosmopolitan campus with its own shops, banks, bars and restaurants, making it an exciting place to live and work, with everything you need close at hand. Our campus is compact, easy to get around and close to the city centre and has a safe, friendly atmosphere.

The campus occupies three sites: **Campus West**, **Campus East** which are characterised by large lakes, landscaped parkland and lots of student activity, and **Kings Manor** - one of historic York's most attractive and unusual sites.

Our ongoing investment in new colleges, teaching and learning space, laboratories, research facilities and a new sports village means it has never been a better time to join the University of York!

### **Application procedures**

Students applying to York should have completed **two years** of undergraduate study, and must have an academic level equivalent to GPA 3.00.

Students can apply to study in up to three academic schools or departments, but need to be **majoring** or have a **high proportion** of their credits in the subject area of their main 'parent' department at York.

Please apply using the **online form** [york.ac.uk/study/international/applying/visiting-students/applying/](http://york.ac.uk/study/international/applying/visiting-students/applying/)

Before you start your application, you should check:

- The availability of the **module choices** you wish to study at York, please discuss these with your Study Abroad Advisor ([york.ac.uk/study/international/applying/visiting-students/](http://york.ac.uk/study/international/applying/visiting-students/))
- The **prerequisites** for studying in the UK (English language requirements, visas, grades) paying particular attention to the Departmental Information and pre-requisites for Arts and Humanities, Social Sciences and Science and Technology which can be found at:- [york.ac.uk/study/international/applying/visiting-students/](http://york.ac.uk/study/international/applying/visiting-students/)
- The dates at which you wish to study at York. See semester dates below.

- It is also possible to study courses from our [Centre for Lifelong Learning](#) (CLL) and [Languages for All](#) (LFA). These can be as part of your allowed credits at York or as an extra-curricular activity. If these courses are taken as part of your credits at York, there is no fee, please discuss with the Visiting Student Officer. Extra-curricular classes must be paid for by the student. We also offer credit bearing academic enhancement classes through our [Writing and Language Skills Centre](#).
