Agenda

Welcome day – Organized by LSB on the first day of Summer School, with drinks and snacks.

City tour – Join this 2-hour walking tour and be enchanted by the city's charm at dusk. Accompanied by one of our official guides, you will discover the former fortress city's top attractions and hidden gems. You will see, among others, the prestigious Grand Ducal Palace, the Corniche ("Europe's most beautiful balcony") as well as the Bock Promontory.

Company Visit – Experience firsthand how some of the world's biggest and most influential companies operate. This unique opportunity will provide valuable insights into global business practices and corporate culture, enhancing their understanding of the international business landscape.

Weekend trip – Featuring a tour of the historic Vianden Castle and an adventurous visit to the local copper mines. This experience combines the thrill of medieval architecture and the intrigue of Luxembourg's mining history in one memorable outing.

Wine tasting – What better place to discover the excellence of a sparkling wine made naturally according to the traditional method, than the very site where it is brought to life by the experts of this sparkling juice. In the refreshing darkness of the underground galleries, with the latter stretching over one kilometer, you will discover the secrets of the high quality St. Martin wines and crémants.

Goodbye dinner – Organized by LSB on the last day with food, drinks, and great company.

**If any activities will be changed closer to the dates, those additions will not affect the fees.*
