Kingston

Kingston is Canada's first capital and a rich cultural city, located in the heart of Eastern Ontario, a short drive away from Toronto, Ottawa and Montreal in Canada, and close to New York City or Boston in the U.S.A.

Kingston is known as a student-centered town with nearly 30,000 students. With more restaurants per capita than almost any other city in Canada, even the most discerning of foodies will find some new favourites here.

The majority of Queen's students live within a 15-minute walk to campus, eliminating the time-consuming commutes associated with universities in larger urban centres. This closeness creates a strong sense of community amongst our students that is truly unique.

Weather

Kingston enjoys milder temperatures than the national average, but a higher than average amount of snowfall.

Monthly Average Temperatures in Kingston:

	Jan	Feb	Mar	Apr	May	June	Jul	Aug	Sep	Oct	Nov	Dec
°C	-6	-6	-1	6	13	18	21	21	16	10	4	-2
°F	21	21	30	43	55	64	70	70	61	50	39	28
