Undergraduate Summer School

2024 Programme

Dear Valued Partners and Colleagues,

Greetings from the University of Sussex!

We are delighted to share that our 2024 Undergraduate Summer School Programme is now open for applications.

This year we have over 15 modules available, with a mixture of new alongside popular options returning from The Business School, School of Media, Arts & Humanities and School of Psychology

New modules include:

- ***Climate Change*** (School of Global Studies); ***Business Sustainability*** (Business School)
- ***Global Health*** and ***Medical Imaging with MRI scanning*** (Medical School)
- ***The Politics of Crisis*** and ***A Post-Liberal World*** (School of Law, Politics & Sociology)
- ***Psychology Now!*** (School of Psychology)

In addition, students will benefit from:

- An **international campus environment** – typically students from over 17 countries around the world

- **Guaranteed campus accommodation**, walking distance from classes
- The excitement of Brighton city – **one of the most student-friendly destinations in the UK**
- Being located at the **only University in the UK situated in a National Park** - the beautiful South Downs
- The **opportunity to explore British history and culture** with our Student-Life Programme of **trips and activities. Plus, gym and sports pass** to keep healthy whilst studying with us

Student Feedback:

"I love sitting in class and having my professor quote a study that was done right here at this university."

ALYSSA RIEDER, Psychology Summer School student - University of Texas,
Dallas

"I wanted to continue improving myself and practice being independent by studying abroad."

AN NGUYEN, Physics Summer School student - University of California, Irvine

"On occasion my friends and I would walk through the trails in Sussex, into the meadows and watch the sunset and it was one of the most beautiful things ever."

STEPHANY, Psychology, and Sociology Summer School Student.
